**SUPPLEMENTAL REPLY UNDER 37 C.F.R. § 1.111**

Mail Stop Amendment  
Commissioner for Patents  
U.S. Patent and Trademark Office  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In the Action mailed October 14, 2008, the Examiner requested Applicant to present arguments pointing out the specific distinctions believed to render the newly presented claims patentable over the applied references. The following remarks are intended to supplement the previously filed amendment and to provide the distinctions requested by the Examiner.
